DETAILED ACTION

Allowable Subject Matter

1. Claims 20-26 and 28-37 are allowed.
2. The following is an examiner's statement of reasons for allowance: the previous Office Action mailed on 26 October 2004 indicated that claims 20-23, 25, 26, 28-32 and 34-37 were objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Applicants have amended claims 20, 28, 29, 34 and 37 such that they have been rewritten in independent form including all of the limitations of the base claim and any intervening claims. As amended, claims 21-26 depend from claim 20, claims 30-33 depend from claim 29 and claims 35 and 36 depend from claim 34. Accordingly, claims 20-26 and 28-37 are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Response to Arguments

3. Applicant's arguments, filed 13 December 2004, with respect to the rejections of claims 20-26 and 28-37 have been fully considered and are persuasive in view of Applicants' amendment. See reasons above. The rejections of these claims have been withdrawn.
